Recreation Report

Recreational and Figure Skating Program

The Recreation Department will accept registrations for a recreational and free skating program at the MDC rink in Weymouth. The program begins Sunday, Feb. 18, and will continue for six weeks with bus transportation provided. All residents may participate. The cost is \$12.15 a person and skating time is from 4 to 5 p.m. every Sunday, during the six weeks. Participants will have exclusive use of the indoor rink. Buses will leave the Town Hall parking lot at 3:30 p.m. and return at 5:30.

This is a self-supporting program that will be administered through the Recreation Department's revolving account fund. Therefore, no family discounts can be offered. Also, a minimum of 47 individuals will be required in order to conduct the program.

If interested call the Recreation Office at 383-6791 to register. Hockey will not be allowed at the rink during this program. The Recreation Department will supply an instructor who will give lessons to those who wish to learn how to skate.

2nd Session Program Information

During the last month, registrations were held for a dozen or so second session fall-winter recreation programs.

To date there are well over 500 individuals participating in these programs. At present most programs are full. However, registrations for a few of these programs including guitar lessons, yoga lessons, and disco dance (adult and youth) will be held every six to eight weeks as present classes end and new classes begin. Please watch the **Mariner** for registration information for these and other Recreation Department programs.

Summer Playground Program

The department plans to conduct a supplementary, half day playground program for four and five year-old children. The regular, full-day program is limited to children between the ages of six and 13.

The new program is currently being formulated and will be conducted at the Osgood School, (along with the regular program) but will run from 9-12 noon, instead of all day, (9-3 p.m.).

The Department would like to get feed-back from as many parents as possible that have four and five year-old children, (4 years old by April 1, and not yet 6 as of June 30), concerning their feelings on the type of program they want. If you would, take a couple of minutes to either call the Recreation Office or drop a note to: Jack Worley, Cohasset Recreation Department, Town Hall, Cohasset, Mass. 02025.

Summer Job Applications

The Department will accept applications for summer jobs from Cohasset residents who are at least 18 years old from now to March 1.

It is impossible to predict, at this point, how many of last year's staff will be returning, and therefore, impossible to predict how many jobs will be available. However, if you are interested in applying; please call or write the department for an employment application.
